> Procedure for the Safe Recruitment and Selection of School Personnel to Work With Children

The selection or recruitment of staff and their suitability to work with children, requires the school to adhere to the statutory vetting requirements of the National Vetting Bureau (Children and Vulnerable Persons) Acts 2012 to 2016, and to the wider duty of care guidance set out in relevant Garda vetting and recruitment circulars published by the

Department of Education and Youth and available on the gov.ie website and as outlined in Chapter 10 of the procedures.

A full list of those people who are mandated persons is set out in Appendix 1 procedures.

> Procedure for Maintaining a List of the Persons (if any) in the Relevant Service Who Are Mandated Persons

Online Safety

The *Addendum to Children First: National Guidance for the Protection and Welfare of Children 2017* published in January 2019 clarifies that organisations providing relevant services to children should consider the specific issue of online safety when carrying out their risk assessment and preparing their Child Safeguarding Statement and Risk Assessment.

The Guidance on Continuity of Schooling for primary and post-primary schools (April 2020) advises of the importance of teachers maintaining the safe and ethical use of the internet during distance learning and assisting parents and guardians to be aware of their role also. Schools should ensure that their Acceptable Use Policy (AUP) informs and guides remote or distance learning activity.

Risk in the context of this Child Safeguarding Statement and Risk Assessment is the risk of 'harm' as defined in the Children First Act 2015 and not general health and safety risk. The definition of harm is set out in the Children First Act 2015: 'harm' means, in relation to a child— (a) assault, ill-treatment or neglect of the child in a manner that seriously affects or is likely to seriously affect the child's health, development or welfare, or (b) sexual abuse of the child, whether caused by a single act, omission or circumstance or a series or combination of acts, omissions or circumstances, or otherwise.

In accordance with Section 11 of the Children First Act 2015 and with the requirements of Chapter 9 of the Child Protection Procedures for Schools 2025, the following is the written Child Safeguarding Statement and Risk Assessment.

In undertaking this Child Safeguarding Statement and Risk Assessment, the board of management has endeavoured to identify as far as possible the risks of harm that are relevant to this school and to ensure that adequate procedures are in place to manage all risks identified. While it is not possible to foresee and remove all risk of harm, the school has in place the procedures listed in this risk assessment to manage and reduce risk to the greatest possible extent.

This Child Safeguarding Statement and Risk Assessment was reviewed by the board of management on 30/4/2026 (most recent review date)
